I request to borrow the loan amount listed above from the Plan, based on terms specified above. I understand that my request for a Plan loan is subject to review by the Plan Administrator and must meet the requirements outlined in the Plan Document and Participant Loan Program in order for a loan to be granted. I certify that the statements on this application are correct and complete. If any statement proves false, the Plan may declare my indebtedness immediately due.

I have read and understand the Request for Loan Instructions for this form. I understand that up to 50% of my vested interest under the Plan will be used as security for the loan and that I, and if required my spouse, will need to sign an irrevocable pledge and assignment of such interest under the Plan prior to any loan being granted. I understand that my failure to repay this loan when due or failure to pay any scheduled payment when due may result in the loan being in default. Should my employment terminate with the employer for any reason while this obligation is unpaid and under circumstances in which the Plan Administrator would ordinarily make a distribution from the Plan to me or to my named beneficiary, I authorize the reduction of the amount otherwise distributable to me, or to my named beneficiary, by this outstanding indebtedness, together with any accrued interest due on the indebtedness.

I understand that, in addition to the required processing fee, the Plan's investment manager may impose a charge to complete this loan request and/or may restrict the completion of all or a portion of this loan request.
