While the 2017 annual contribution and benefit limits have not changed significantly from last year here are a few of the highlights:

- The 401(k) & 403(b) maximum annual elective deferral limit remains at \$18,000
- The catch-up contribution limit for individuals age 50 or over is still \$6,000
- The annual defined contribution limit has increased to \$54,000
- The defined benefit annual limit has increase to \$215,000
