DEFINITIONS

PLAN SPONSOR – A designated party, usually a company or employer that sets up a retirement plan for the benefit of the organization's employees.

PLAN ADMINISTRATOR – An individual responsible for managing the day-to-day affairs and the strategic decisions involved with a group's pension fund/plan. More specifically, the plan administrator ensures that money is being contributed into the fund, the proper asset allocation decisions are made and that payouts are promptly distributed among all qualified plan participants or beneficiaries.

RESPONSIBLE PLAN FIDUCIARY – An individual exercising discretionary authority or control with respect to a plan or the disposition of its assets or has discretionary authority or responsibility in the administration of such plan. Neither title nor office controls the legal designation of fiduciary, but some positions, such as plan administrator

or trustee, may require any person who holds them to perform defined fiduciary functions and thereby undertake fiduciary status.

31) Trust Identification Number (TIN): _____

NOTE: For most Solo(k) plans, as brokerage accounts are typically utilized to hold plan assets, it is necessary to associate a Trust Identification Number (TIN) with the Plan, rather than using the employer identification number for the company. This number separates the plan assets from the company assets. TRA will assist with the necessary filing to the IRS, unless a TIN has already been established. Once the filing process is completed and a TIN is provided, TRA will forward the TIN to you and your Financial Advisor to set-up the trust account(s) for the plan.

PLAN DESIGN

32) Service/Age requirements (Including 1 year of service and age 21 prevents any new hires from becoming immediately eligible for the plan upon their date of hire.)

*A year of service is defined as 1000 hours worked from the date of hire to the one year anniversary of the date of hire for initial eligibility. If initial eligibility is not met in the first anniversary year it reverts to 1000 hours in any plan year.

33) For new plans, will the service and age requirements be waived?

- Yes—for any eligible employee employed on: ____ / ____ / _____
- No

34) Will the plan allow Roth deferrals?

INFORMATION TO NOTE

Can any business establish a TRA Solo(k) Plan?

Solo(k) Plans may not be utilized for companies that have eligible employees other than the owner(s) or their spouses. If an employee becomes eligible for the plan in the future, the plan can be amended to another type of 401(k) plan administered by TRA that is designed for business owners and employees. If an employer sponsors a SEP plan under IRS model document 5305 or a SIMPLE IRA, they cannot also sponsor a 401(k) plan in the same plan year. The SEP/SIMPLE plan must first be terminated, at which point a 401(k) plan may commence the following year.

What is the deadline for establishing a TRA Solo(k) Plan?

The deadline for establishing a Solo(k) Plan is the last day of the business's fiscal year, generally December 31st. Executed plan documents must be completed by this date.

When must salary deferral elections be made?

If the business is unincorporated, a salary deferral election specifying the amount deferred must be completed by December 31st (for calendar year plans). If the employer is a sole proprietor, partnership or LLC taxed as a sole proprietor or partnership please contact your tax advisor for the correct income to be reported for plan purposes. If you receive W-2 wages, you will need to report these amounts for plan purposes. If you do not receive W-2 wages you will be requested to provide the net earned income figure prior to self employment taxes and prior to any deductible PLAN expenses (i.e. employer contributions made to the plan for common law employees and owners) for contribution and compliance purposes. S-Corporations cannot use Schedule K-1 dividends as compensation for plan purposes.

If the business is incorporated, a salary deferral election specifying the amount intended to be deferred, must be completed before the compensation is paid. This means the business owner must have some form of compensation such as regular salary, bonuses or commissions that they have not received prior to signing the salary deferral election form but would be received by the last day of their fiscal year. Compensation must be received only from the business sponsoring the plan. Do not use compensation from an unrelated employer. For S-corporations, Schedule K-1 dividend distributions cannot be used as compensation.

When must a business owner deposit the salary deferral money into the plan trust?

If the business is unincorporated, the deadline for depositing salary deferrals is generally the due date of the company's tax return (April 15th).

*Although a salary deferral election must be made prior to the end of the plan year for employers, it is recommended that contributions, such as salary deferrals, not be deposited to the plan until the earned income is determined for the plan year, as the compensation utilized for plan purposes may not support the elected contribution amount.

If the business is incorporated, contributions made no later than the 7th business day following the day on which the amounts would have been payable to the participant in cash (i.e. on their paycheck) would be considered timely.

Where TRA does not administer or did not administer all of the plans of the Plan Sponsor, the Plan Sponsor agrees that, TRA will be responsible for providing aggregate testing results of the aforementioned qualification requirements only if specifically engaged, in writing signed by TRA, to provide such services as an Optional Service, as described in Section 2.3 above. 3.2 NOTICE OF PLAN ADOPTION AND AMENDMENTS. In recognition of the fact that certain retirement plan provisions must be coordinated and possibly tested together, the Plan Sponsor must notify TRA of the adoption of a new retirement plan subject to the provisions of ERISA where TRA is not the third-party record-keeper, or upon the adoption of an amendment to an existing retirement plan where TRA is not the third-party record-keeper. TRA reserves the right to review the new or amended Plan prior to providing any services under this Agreement to assure that the record-keeping services performed hereunder can be effectively handled by TRA.

4. FEES

4.1 FEE SCHEDULES. The Services provided by TRA pursuant to this Agreement will be subject to the fees set forth in Schedule B attached hereto. The parties agree that services other than those described in either Fee Schedule may be provided at TRA's then standard rate or, if applicable, for such fees as are mutually agreed by the parties.

4.2 BILLING. Fees are billed on a quarterly basis prior to the beginning of the quarter or at time of service as described in Schedule B. In no event does TRA have responsibility to perform services if fees are over 30 days past due.

4.3 MODIFICATION. Service fees are subject to change upon ninety (90) days written notice to the parties. A new Administrative Fee Schedule mailed to the parties shall constitute notice under this section. Fees will not be increased for the first Plan Year for new plans or for the Plan Year in which TRA first provides retirement plan services.

4.4 TERMS OF PAYMENT. Fees for services shall be considered delinquent thirty (30) days after the billing date. TRA shall have limited responsibility to perform any of the services specified in this Agreement while any fee is delinquent. Services for the termination of the Plan shall not be performed until all fees are made current and the fees for terminating the Plan are paid. If fees are delinquent, the Plan Sponsor hereby authorizes TRA to withdraw delinquent fees from Plan assets to the extent permitted by law. The Plan Sponsor shall have the right to contest any fee billed by TRA. If Plan Sponsor disputes any charge or amount on any invoice and such dispute cannot be resolved promptly through good faith discussions between the parties, Plan Sponsor shall pay the amounts due under this Agreement less the disputed amount, and the parties shall diligently proceed to resolve such disputed amount. An amount will be considered disputed in good faith if (i) Plan Sponsor delivers a written statement to TRA on or before the due date of the invoice, describing in detail the basis of the dispute and the amount being withheld by Plan Sponsor, (ii) such written statement represents that the amount in dispute has been determined after due investigation of the facts and that such disputed amount has been determined in good faith, and (iii) all other amounts due from Plan Sponsor that are not in dispute have been paid in accordance with the terms of this Agreement. Plan Sponsor agrees that all fees associated with establishment, administration, and termination of the Plan are the responsibility of the Plan Sponsor and/or the Plan. Undisputed charges not paid by the due date shall be subject to annual interest at the rate of 18% or the highest rate permitted by law, whichever is lower. Plan Sponsor shall also pay any collection fees, court costs, and reasonable attorneys' fees, incurred by TRA in collecting payment of the charges and any other amounts for which Plan Sponsor is liable under the terms and conditions of this Agreement.

5. WARRANTY/DISCLAIMER

5.1 PERFORMANCE WARRANTY. TRA warrants that it will provide the Services described in Schedule A in a commercially reasonable manner (the "Performance Warranty").

5.2 DISCLAIMER OF ALL OTHER WARRANTIES. THIS PERFORMANCE WARRANTY IS IN LIEU OF, AND TRA DISCLAIMS ANY AND ALL OTHER WARRANTIES, CONDITIONS, OR REPRESENTATIONS (EXPRESS OR IMPLIED, ORAL OR WRITTEN) WITH RESPECT TO THE SERVICES PROVIDED UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS OR SUITABILITY FOR ANY PURPOSE (WHETHER OR NOT TRA KNOWS, HAS REASON TO KNOW, HAS BEEN ADVISED, OR IS OTHERWISE IN FACT AWARE OF ANY SUCH PURPOSE), WHETHER ALLEGED TO ARISE BY LAW, BY REASON OF CUSTOM OR USAGE IN THE TRADE, OR BY COURSE OF DEALING. IN ADDITION, TRA DISCLAIMS ANY WARRANTY OR REPRESENTATION TO ANY PERSON OTHER THAN PLAN SPONSOR WITH RESPECT TO THE SERVICES PROVIDED UNDER THIS AGREEMENT.

6. TERMINATION

This Agreement may be terminated immediately, at the option of TRA, upon the failure to:

- (a) Provide the information required hereunder within sixty (60) days of the request.
- (b) Pay the applicable fees within thirty (30) days of the date the fees are considered delinquent under paragraph 4.4.
- (c) Make timely deposit of participant contributions and/or loan payments to the Plan pursuant to DOL regulations. This section shall not be construed to imply any duty of TRA to determine, monitor, or inform the Plan Sponsor as to the timeliness of participant contributions and/or loan payments.
- (d) Regardless of any failure of the Plan Sponsor, upon ninety (90) days notice to the Plan Sponsor from TRA. Notice of termination will be given to the Plan Sponsor via certified mail.

No lawsuit or other action may be brought by either party hereto, or on any claim or controversy based upon or arising in any way out of this Agreement, after one (1) year from the date a party knows of a claim, regardless of the nature of the claim or form of action, whether in contract, tort (including negligence) or otherwise; provided, however, the foregoing limitation shall not apply to the collection of any amounts due under this Agreement.

7.4 ESSENTIAL ELEMENTS. Plan Sponsor and TRA acknowledge and agree that the limitations contained in this Article 7 are essential to this Agreement, and that TRA has expressly relied upon the inclusion of each and every provision of this Article 7 as a condition to executing this Agreement.

8. INDEMNITY

amended by an instrument in writing executed by the parties or their permitted assignees.

9.4 RELATIONSHIP OF PARTIES. The performance by TRA of its duties and obligations under this Agreement shall be that of an independent contractor and nothing contained in this Agreement shall create or imply an agency relationship between the Plan Sponsor and TRA, nor shall this Agreement be deemed to constitute a joint venture or partnership between Plan Sponsor and TRA.

9.5 HEADINGS. Headings in this Agreement are for reference purposes only and shall not affect the interpretation or meaning of this Agreement.

9.6 WAIVER. No delay or omission by any party to exercise any right or power it has under this Agreement shall impair or be construed as a waiver of such right or power. All waivers must be in writing and signed by the party waiving its rights.

9.7 SEVERABILITY. If any provision of this Agreement is held by court or arbitrator of competent jurisdiction to be contrary to law, then the remaining provisions of this Agreement will remain in full force and effect. Any fees owed to TRA, along with any indemnification owed to TRA, including but not limited to Articles 7, 8 and 9, shall survive the expiration or earlier termination of this Agreement for any reason.

9.8 ATTORNEYS' FEES AND COSTS. If any legal action is commenced in connection with the enforcement of this Agreement or any instrument or agreement required under this Agreement, the prevailing party shall be entitled to costs, attorneys' fees actually incurred, and necessary disbursements incurred in connection with such action, as determined by the court.

9.9 NO THIRD PARTY BENEFICIARIES. Each party intends that this Agreement shall not benefit, or create any right or cause of action in or on behalf of, any person or entity other than the Plan Sponsor and TRA.

Adopting Resolution

The undersigned authorized representative of _____
(the Employer) hereby certifies that the following resolutions were duly adopted by the Employer on _____, and that such resolutions have not been modified or rescinded as of the date hereof:

RESOLVED, that the form of 401(k) Profit Sharing Plan and Trust effective _____, presented to this meeting is hereby approved and adopted and that an authorized representative of the Employer is hereby authorized and directed to execute and deliver to the Administrator of the Plan one or more counterparts of the Plan,

The undersigned further certifies that attached hereto as Exhibits A and B, respectively, are true copies of

the 401(k) Plan and the Funding Policy and Method which are hereby approved and adopted.

Date: _____

Signed: _____

Funding Policy & Method

A pension benefit plan (as defined in the Employee Retirement Income Security Act of 1974) has been adopted by the company for the purpose of rewarding long and loyal service to the company by providing to employees additional financial security at retirement. Incidental benefits are provided in the case of disability, death or other termination of employment.

Since the principal purpose of the plan is to provide benefits at normal retirement age, the principal goal of the investment of the funds in the plan should be both security and long-term stability with moderate growth commensurate with the anticipated retirement dates of participants. Investments, other than "fixed dollar" investments, should be included among the plan's investments to prevent erosion by inflation. However, investments should be sufficiently liquid to enable the plan, on short notice, to make some distributions in the event of the death or disability of a participant.

#5. Participant Loan Program

The above-named Plan permits loans to be made to Participants and their beneficiaries. However, before any loan is made, the Plan requires that a written loan program be established which sets forth the rules and guidelines for making Participant loans. This document shall serve as the required written loan program. In addition, the Plan Administrator may use this document to serve as, or supplement, any required notice of the loan program to Participants and their beneficiaries. All references to Participants in this loan program shall only include Participants and their Beneficiaries or any alternate payee with respect to the Plan. Furthermore, it shall only include those individuals to the extent they are "parties in interest" as defined by ERISA Section 3(14).

The Plan Administrator is authorized to administer the Participant loan program. All applications for loans shall be made by a Participant to the Plan Administrator on forms which the Plan Administrator will make available for such purpose.

1. LOAN APPLICATION. Any Participant may apply for a loan from the Plan. A Participant must apply for each loan in writing with an application which specifies the amount of the loan desired, the requested duration for the loan and the source of security for the loan.

All loan applications will be considered by the Plan Administrator within a reasonable time after the Participant makes formal application. The Participant will be required to provide any supporting information deemed necessary by the Plan Administrator. This may include a financial statement, tax returns and such other financial information which the Plan Administrator may consider necessary and appropriate to determine whether a loan should be granted. The Participant will also authorize the Plan Administrator to obtain a credit report on the Participant.

The Plan Administrator will determine whether a Participant qualifies for a loan, applying such criteria as a commercial lender of funds would apply in like circumstances with respect to the Participant. Such criteria shall include, but need not be limited to, the creditworthiness of the Participant and his or her general ability to repay the loan, the period of time such Participant has been employed by the Employer and whether adequate security has been provided for the loan.

2. LOAN LIMITATIONS. The Plan Administrator will not approve any loan to a Participant in an amount which exceeds 50% of his or her nonforfeitable account balance. The maximum aggregate dollar amount of loans outstanding to any Participant may not exceed \$50,000, reduced by the excess of the Participant's highest outstanding Participant loan balance during the 12-month period ending on the date of the loan over the Participant's current outstanding Participant loan balance on the date of the loan. With regard to any loan made pursuant to this program, the following rule(s) and limitation(s) shall apply, in addition to such other requirements set forth in the Plan:

- No loan in an amount less than \$1,000 will be granted to any Participant.
- A Participant can only have 2 loan(s) currently outstanding from the Plan.
- All loans made pursuant to this program will be considered a directed investment from the account(s) of the Participant maintained under the Plan. As such, all payments of principal and interest made by the Participant will be credited only to the account(s) of such Participant. The Plan also will charge that portion of the Participant's account balances with expenses directly related to the origination, maintenance and collection of the note.

3. EVIDENCE AND TERMS OF LOAN. The Plan Administrator will document every loan in the form of a promissory note signed by the Participant for the face amount of the loan, together with a commercially reasonable rate of interest.

Any loan granted or renewed under this program will bear a reasonable rate of interest. In determining such rate of interest, the Plan will require a rate of return commensurate with the prevailing interest rate charged on similar loans under like circumstances by persons in the business of lending money. Such prevailing interest rate standard will permit the Plan Administrator to consider factors pertaining to the opportunity for gain and risk of loss that a professional lender would consider on a similar arms-length transaction, such as the creditworthiness of the Participant and the security given for the loan. Therefore, in establishing the rate of interest, the Plan Administrator will conduct a reasonable and prudent inquiry with professional lenders in the same geographic locale where the Participant and Employer reside to determine such prevailing interest rate for loans under like circumstances.

The loan must provide at least quarterly payments under a level amortization schedule.

The Plan Administrator will fix the term for repayment of any loan, however, in no instance may the term of repayment be greater than

five years, unless the loan qualifies as a home loan. A "home loan" is a loan used to acquire a dwelling unit which, within a reasonable time, the Participant will use as a principal residence.

Unless the Participant is a "party in interest" on the day after his or her termination of employment with the Employer, a loan becomes due and payable when the Participant terminates employment with the Employer. In addition, any distribution, other than a hardship distribution, from the Plan will first be applied to offset any outstanding loan balance.

A loan, if not otherwise due and payable, is due and payable on termination of the Plan, notwithstanding any contrary provision in the promissory note. Nothing in this loan policy restricts the Employer's right to terminate the Plan at any time.

Participants should note the law treats the amount of any loan (other than a "home loan") not repaid five years after the date of the loan as a taxable distribution on the last day of the five year period or, if sooner, at the time the loan is in default. If a Participant extends a non-home loan having a five year or less repayment term beyond five years, the balance of the loan at the time of the extension is a taxable distribution to the Participant.

4. SECURITY FOR LOAN. The Plan will require that adequate security be provided by the Participant before a loan is granted. For this purpose, the Plan will consider a Participant's interest under the Plan to be adequate security. However, in no event will more than 50% of a Participant's vested interest in the Plan (determined immediately after origination of the loan) be used as security for the loan. Generally, it will be the policy of the Plan not to make loans which require security other than the Participant's vested interest in the Plan. However, if additional security is necessary to adequately secure the loan, then the Plan Administrator will require that such security be provided before the loan will be granted.

5. FORM OF PLEDGE, The pledge and assignment of a Participant's account balances will be in the form prescribed by the Plan Administrator.

6. MILITARY SERVICE. If a Participant separates from service (or takes a leave of absence) from the Employer because of service in the military and does not receive a distribution of his or her account balances, the Plan shall suspend loan repayments until the Participant's completion of military service. The Employer will provide the Participant with a written explanation of the effect of the Participant's military service upon his or her Plan loan. While the Participant is on active duty in the United States military, the interest rate on the loan shall not exceed six percent (6%), compounded annually.

7. LEAVE OF ABSENCE/SUSPENSION OF PAYMENT. The Plan Administrator will suspend loan repayments for a period not exceeding one year which occurs during an approved leave of absence, either without pay from the Employer or at a rate of pay (after applicable employment tax withholdings) that is less than the amount of the installment payments required under the terms of the loan. The Plan Administrator will provide the Participant with a written explanation of the effect of the leave of absence upon his or her Plan loan.

8. PAYMENTS AFTER LEAVE OF ABSENCE. When payments resume following a payment suspension in connection with a leave of absence authorized in 6 or 7 above, the Participant shall select one of the following methods to repay the loan, plus accumulated interest:

- The Participant shall increase the amount of the required installments to an amount sufficient to amortize the remaining balance of the loan, plus accrued interest, over the remaining term of the loan.
- The Participant shall pay a balloon payment of the remaining unpaid principal and interest, at the conclusion of the term of the loan as determined in the promissory note.
- The Participant may extend the maturity of the loan and re-amortize the payments over the remaining term of the loan. In no event shall the amount of the adjusted installment payment be less than the amount of the installment payment provided under the promissory note. In the case of a leave of absence described in item 7 above, the revised term of the loan shall not exceed the maximum term permitted under item 3 above. In the case of a leave of absence described in item 6 above, the revised term of the loan shall not exceed the maximum term permitted under item 3 above, augmented by the time the Participant was actually in United States military service.

9. DEFAULT. The Plan Administrator will treat a loan in default if:

- any scheduled payment remains unpaid beyond the last day of the calendar quarter following the calendar quarter in which the Participant missed the scheduled payment; or
- the Participant makes or furnishes any false representation or statement to the Plan.

The Participant will have the opportunity to repay the loan, resume current status of the loan by paying any missed payment plus interest or, if distribution is available under the Plan, request distribution of the note. If the loan remains in default, the Plan Administrator will offset the Participant's vested account balances by the outstanding balance of the loan to the extent permitted by law. The Plan Administrator will treat the note as repaid to the extent of any permissible offset. Pending final disposition of the note, the Participant remains obligated for any unpaid principal and accrued interest.

Check One: New Agreement Change Bonus Election

SECTION 1: SALARY DEFERRAL ELECTION

Salary Reduction/Deferral Amount. This Agreement is effective as of the next enrollment or change date as provided for in the current Plan Document. I may modify this Agreement only in accordance with current Plan provisions and IRS regulations.

I authorize the Employer to withhold from my Compensation (and treat as salary deferrals) the following amount:

\$ _____ or _____ % of my per pay period Compensation as pre-tax salary deferrals.

\$ _____ or _____ % of my per pay period Compensation as Roth salary deferrals.

Zero for pre-tax salary deferrals. I hereby terminate my prior Salary Deferral Agreement of pre-tax salary deferrals. (Note: Elect "zero" only if you wish to terminate pre-tax salary deferrals under a prior Salary Deferral Agreement currently in effect.)

Zero for Roth salary deferrals. I hereby terminate my prior Salary Deferral Agreement of Roth salary deferrals. (Note: Elect "zero" only if you wish to terminate Roth salary deferrals under a prior Salary Deferral Agreement currently in effect.)

Deferrals are irrevocable once made. I understand: (1) my election regarding the amount and type of deferrals is irrevocable once the employer withholds the deferrals from my paycheck; and (2) any change of election regarding the amount or type of deferrals is effective only for deferrals from paychecks I receive after the Plan Administrator accepts my change of election.

SECTION 2: ELECTION TO NOT DEFER

(Note: Non-deferring Participants will be included in annual Plan testing)

I elect NOT to defer into the Plan at this time. (Note: Elect this only if you have no Salary Deferral Agreement currently in effect and wish NOT to defer.)

SECTION 3: SPECIAL ELECTION FOR BONUSES

(Complete this section if Plan allows special elections for bonuses AND you wish to apply a special election to bonuses)

I elect NOT to withhold from my bonus at this time.

I authorize the Employer to withhold from my bonus and treat as PRE-TAX salary deferrals the following amount:

AND/OR

I authorize the Employer to withhold from my bonus and treat as ROTH salary deferrals the following amount:

_____% or \$_____ of my bonus which is to be paid on _____, 20____ (insert date). In making this election, I do not intend to change my existing Salary Deferral Agreement (if any) as to Compensation other than the bonus described in this Agreement (if allowed by Plan).

_____% or \$_____ of ALL bonuses paid to me on or after _____, 20____ (insert date). In making this election, I do not intend to change my existing Salary Deferral Agreement (if any) as to Compensation other than the bonus described in this Agreement (if allowed by Plan).

I understand that I can change this election at any time by completing a new Salary Deferral Agreement.

SECTION 4: REQUIRED SIGNATURES

Duty to Review Pay Records. I understand I have a duty to review my pay records (pay stub, etc.) to confirm the Employer has properly implemented my salary deferral election. Furthermore, I have a duty to inform the Plan Administrator if I discover any discrepancy between my pay records and this Salary Deferral Agreement. I understand the Plan Administrator will treat my failure to report any withholding errors for any payroll to which my Salary Deferral Agreement applies, by the cut-off date for the next following payroll, as my affirmative election to defer the amount actually withheld (including zero). However, I thereafter may modify, my salary deferral election prospectively, consistent with the current Plan Document.

I understand that it may be necessary for the Plan to limit my contribution election in accordance with Plan and/or IRS limitations. Once money is contributed to the Plan, I understand that money will only be distributable upon my death, permanent disability, retirement or termination of employment; and if allowed by the Plan, may be withdrawn in the event of serious financial hardship, a Plan loan and/ or attainment of a specified age (59 1/2 or later). All distributions will be verified for compliance with current Plan provisions and IRS regulations.

I understand that if I have elected life insurance through the Plan, minimum contributions may have to be made to the Plan to meet IRS guidelines. Therefore, I must contact the Plan Administrator if I am decreasing my contributions. Further, if I am reducing my contribution to 0% and have life insurance through the Plan for which premiums can no longer be paid with funds from the Plan, I must make an election concerning my life insurance coverage.
