

CARES Act loan request

If you have questions or need assistance completing this form, call the Lincoln Customer Contact Center at 1-800-234-3500 or contact your retirement plan representative.

Is this the correct form?

This form is used to take a loan under the Coronavirus Aid, Relief, and Economic Security (CARES) Act or H.R. 748 that was signed into law on March 27, 2020.

- This form is valid until September 23, 2020.
- This form is only available if your plan allows for loans.

i Marital status: Please provide your marital status in order to ensure timely processing of your loan.

i Amount and purpose of loan: The maximum loan amount is generally equal to 100% of your vested account value, not to exceed \$100,000, on all plans maintained by your employer. If there has been a loan in the preceding 12-month period, the \$100,000 maximum loan limit is reduced by the excess of the highest outstanding balance of loans during the preceding 12-month period and the current outstanding loan balance.

Loan amount: Cannot exceed \$100,000.

A participant who requests a specific dollar amount based on the maximum loan available on a particular day may not qualify for that dollar amount if the stock market, and the value in his or her account, declines by the time the loan is processed.

Self-certification: Lincoln will rely upon your self-certification that you have met the requirements to be considered eligible for such a loan. You will be responsible for documenting and retaining any and all information that the IRS may require to support this claim.
