Section F: FEDERAL INCOME TAX WITHHOLDING

Distributions of pre-tax contributions plus interest on all contributions are subject to federal income tax. Federal income tax law requires that MassMutual withhold 10% of the taxable amount, unless you elect no withholding below. If no election is made, MassMutual will default to the required withholding. **Contact your tax advisor or the IRS if you have any questions concerning tax withholding.**

Participant Payee I understand that a CARES Act withdrawal that is not eligible for rollover may have after-tax repayment options available and I should contact my Plan Sponsor with any questions. If withholding is elected below, MassMutual will withhold the amount indicated or what is required by law.

In addition to this federal income tax withholding, I want an additional amount withheld of \$ _____

Section G: STATE INCOME TAX WITHHOLDING

Skip this Section if you reside in a state with no income tax or withholding requirement on retirement income.

The taxable portion of your payment may be subject to state income tax withholding requirements. While MassMutual will withhold based on your state's income tax rules and your election, if applicable, you are responsible for ensuring you satisfy your individual state income tax liability. If you make an election that is not compliant with your state's income tax withholding rules, then MassMutual will default to your state's income tax withholding requirements.

COMPLETE ALL PAGES

State Income Tax Withholding rules are subject to change at any time. For current state specific tax information pertaining to your resident state, you should contact your tax advisor or your state income tax department. Also note, state tax rules may apply differently depending on your type of distribution (i.e. lump sum, periodic, non-periodic, etc.). In addition, some states allow for an exclusion from income distributions from certain retirement plans – to confirm whether you may qualify to exclude all or a portion of your distribution from income for state taxation purposes, you should consult your plan sponsors or state income tax department.

If your state's income taxes are determined based on wage tables, MassMutual is unable to calculate a net amount, you will need to ensure that you have grossed up accordingly. There may be a delay if you request a net amount.

If you do not see your state listed below, it is a result of your state not permitting state income tax withholding.

Any tax information included in this written or electronic communication was not intended or written to be used, and it cannot be used by the taxpayer for purpose of avoiding any penalties that may be imposed on the taxpayer by any governmental taxing authority or agency.
